Board of Directors Sarasota Convention and Visitors Bureau, Inc. and Affiliate d/b/a Visit Sarasota County Sarasota, Florida

Independent Auditor's Report

Opinion

We have audited the accompanying combined financial statements of Sarasota Convention and Visitors Bureau, Inc. and Affiliate d/b/a Visit Sarasota County (the Organization), which comprise the combined statements of financial position as of September 30, 2022 and 2021, and the related combined statements of activities and changes in net assets, functional expenses and cash flows for the years then ended, and the related notes to the combined financial statements.

In our opinion, the combined financial statements referred to above present fairly, in all material respects, the financial position of Sarasota Convention and Visitors Bureau, Inc. and Affiliate d/b/a Visit Sarasota County as of September 30, 2022 and 2021, and the changes in their net assets and their cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Sarasota Convention and Visitors Bureau, Inc. and Affiliate d/b/a Visit Sarasota County and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the combined financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of combined financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the combined financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Sarasota Convention and Visitors Bureau, Inc. and Affiliate d/b/a Visit Sarasota County 's ability to continue as a going concern within one year after the date that the combined financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the combined financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the combined financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the combined financial statements, whether
 due to fraud or error, and design and perform audit procedures responsive to those risks. Such
 procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the
 combined financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures
 that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the
 effectiveness of Sarasota Convention and Visitors Bureau, Inc. and Affiliate d/b/a Visit Sarasota
 County's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the combined financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Sarasota Convention and Visitors Bureau, Inc. and Affiliate d/b/a Visit Sarasota County's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

NOTES TO COMBINED FINANCIAL STATEMENTS

SARASOTA CONVENTION AND VISITORS BUREAU, INC. AND AFFILIATE D/B/A VISIT SARASOTA COUNTY

September 30, 2022 and 2021

NOTE A - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Nature of Operations:

Sarasota Convention Center and Visitors Bureau, Inc. (the Organization) was incorporated on July 6, 1982, under the laws of the State of Florida as a not-for-profit organization to advance and develop tourism within Sarasota County (the County). The d/b/a Visit Sarasota County was registered with the State of Florida effective April 19, 2012. As provided for within Chapter 125 of Florida Statutes and 114 of Sarasota County Code, the Organization is the official marketing organization for the County. Effective January 1, 2013, Friends of Sarasota County Visitor Services, Inc. (Friends) was registered with the State of Florida as a not-for-profit organization for purposes of providing visitor services to more of Sarasota County through use of a mobile visitor's center to be funded by local businesses. By virtue of the common management, the accounts of Friends are combined in the accompanying combined financial statements with the accounts of the Organization as of January 1, 2013.

Governed by annual contracts with the County, the primary responsibility of the Organization is to manage and administer the Sarasota County Tourism Business Plan funded by the Tourist Development Tax Proceeds. The Organization earns revenues from the County for performance of management and administration services detailed in the contract. As part of the services performed for this fee, the Organization acts as an agent between the County and the various vendors providing tourist related goods or services. The Organization pays vendors on the County's behalf and receives reimbursements from the County or the Organization provides documentation to the County for direct payment of goods and services. These reimbursements and direct payments are not recorded as revenues, because the Organization is acting as an agent in these transactions.

The Organization operates visitors' centers and has corporate office space in Sarasota, Florida. The Organization also obtains private sector funding, as required by the contract with the County, in the form of membership dues, revenues from selling advertising space within the visitor guide, cooperative advertising efforts, and retail sales at the visitors' center. Friends was established for the purpose of operating a mobile visitor center and to provide a means to solicit tax deductible contributions.

Combination:

The accompanying combined financial statements include the accounts of Sarasota Convention and Visitors Bureau, Inc. d/b/a Visit Sarasota County and its affiliate, Friends of Sarasota County Visitor Services, Inc., which are collectively referred to as the Organization. All significant intercompany accounts and transactions have been eliminated in combination.

Basis of Accounting:

The accompanying combined financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (GAAP).

Use of Estimates:

The preparation of combined financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the combined financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

September 30, 2022 and 2021

NOTE A - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Basis of Presentation:

The Organization follows the standards of accounting and financial reporting of Not-for-Profit Organizations, which requires the net assets of the Organization and changes therein to be classified and reported as follows:

<u>Net assets without donor restrictions</u>: Net assets are not subject to donor-imposed stipulations and may be expended for any purpose in performing the primary objectives of the Organization. These net assets may be used at the discretion of the Organization's management.

Net assets with donor restrictions: Net assets subject to stipulations imposed by donors and grantors. Some donor restrictions are temporary in nature; those restrictions will be met by actions of the Organization or by the passage of time. Other donor restrictions are perpetual in nature, whereby the donor has stipulated the funds be maintained in perpetuity. There were no net assets with donor restrictions at September 30, 2022 and 2021.

Donor restricted contributions are reported as increases in net assets with donor restrictions. When a restriction expires or is satisfied, net assets are reclassified from net assets with donor restrictions to net assets without donor restrictions in the statements of activities and changes in net assets. If a restriction is fulfilled in the same time period in which the contribution is received, the Organization records the support as net assets without donor restrictions. The Organization did not receive any contributions with donor imposed restrictions during the years ended September 30, 2022 and 2021.

Revenue Recognition:

Membership dues, visitor guide and co-op advertising revenues are initially deferred, and the revenue is recognized as it is earned. Management service revenues are recognized ratably over the term of the contract. Contributions and other nonexchange revenues are recognized at the time of receipt.

Cash and Cash Equivalents:

Cash and cash equivalents include all cash balances and highly liquid investments with an initial maturity of three months or less.

Accounts Receivable:

Accounts receivable, which is comprised of amounts due from members for annual membership fees, visitors guide and co-op advertising, is stated at the amount management expects to collect from balances outstanding at year end. The potential risk is limited to the amounts recorded in the combined financial statements. Based on management's assessment of the credit history with members having balances outstanding and current relationships with them, it has estimated that realization of losses on balances outstanding at year end will not be significant.

Due from Sarasota County:

Due from Sarasota County consists of management and administration fees receivable, which is stated at the amount per the contract with the County. Also included are amounts due to the Organization for tourism related expenses paid on behalf of the County.

September 30, 2022 and 2021

NOTE A - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Property and Equipment:

Property and equipment is recorded at cost, less accumulated depreciation. Major improvements and renewals are capitalized while ordinary maintenance and repairs are expensed. Management annually reviews these assets to determine whether carrying values have been impaired. Depreciation is provided over the estimated useful lives of their respective assets using the straight-line method. Estimated useful lives range from 3 to 9 years.

Functional Allocation of Expenses:

The costs of providing program and supporting services have been summarized on a functional basis. Costs are allocated between management and general, membership development, or program services based on evaluations of the related benefits. Management and general expenses include those expenses that are not directly identifiable with any other specific function but provide for the overall support and direction of the Organization.

Income Taxes:

The Organization is a not-for-profit organization exempt from federal income tax under Section 501(c)(6) of the Internal Revenue Code and is exempt from similar state and local taxes. Although the Organization was granted income tax exemption by the Internal Revenue Service, such exemption does not apply to "unrelated business taxable income." Such income, pursuant to the Internal Revenue Code and related regulations, includes all advertising related income. The Organization has not been classified as a private foundation and incurred \$0 in unrelated business income tax for the years ended September 30, 2022 and 2021. Friends received acceptance of exempt status under Section 501(c)(3) of the Internal Revenue Code during the year ended September 30, 2014.

Advertising and Promotion:

Purchased advertising media is expensed when the related media is published or broadcast. Costs incurred in advance of an advertising program, such as printing and production, are recorded as prepaid expenses until the corresponding media is published or broadcast; at which time it is expensed. Other advertising costs are charged to operations as incurred.

NOTE B - PROPERTY AND EQUIPMENT

| | \$ | 125,875 |

SARASOTA CONVENTION AND VISITORS BUREAU, INC. AND AFFILIATE D/B/A VISIT SARASOTA COUNTY

September 30, 2022 and 2021

NOTE D - CONCENTRATIONS OF CREDIT RISK

Financial instruments which potentially subject the Organization to concentrations of credit risk consist of cash and cash equivalents. The Organization maintains its cash and cash equivalents with major banks and financial institutions. At any given time, the Organization may have cash balances exceeding the federal depository insurance coverage limits. The Organization has not experienced any losses in such accounts and does not believe such accounts are exposed to any significant credit risk.

The Organization receives a substantial amount of its support from the County in the form of the management and administration fees and various forms of revenues from local organizations. The loss of the contract with the County, a significant reduction in the level of tourist development taxes collected by the County, or a severe economic downturn may have a materially adverse effect on the financial position and operations of the Organization. Management and administration service revenue from the County represents 63% and 52% of total revenues for the years ended September 30, 2022 and 2021, respectively.

NOTE E - RETIREMENT PLAN

The Organization has established a Savings Incentive Match Plan for Employees (SIMPLE) Individual Retirement Account (IRA) Plan for eligible employees. To become eligible to participate in the Plan, the employee must have earned \$5,000 during any two preceding years and be reasonably expected to earn such amount during the year of eligibility. The Organization made matching contributions equal to 100% of the participating employees' elective deferrals not exceeding 3% of the employees' compensation. Retirement expense, included in payroll taxes and benefits in the accompanying combined statements of activities and changes in net assets, for the years ended September 30, 2022 and 2021 was \$25,716 and \$23,277, respectively.

NOTE F - CONTRACT REIMBURSEMENTS AND DIRECT PAYMENTS

On November 20, 2020, the Organization entered into a subrecipient agreement with the County to receive federal awards as part of the Coronavirus Relief Fund. Subject to the terms and conditions of the agreement, the County shall pay the Organization on a cost reimbursement basis, up to a maximum of \$120,000, for eligible and allowable costs that are necessary expenditures incurred due to the public health emergency with respect to the COVID-19 pandemic incurred between March 1, 2020 and December 15, 2020. On December 15, 2020, the Organization submitted a request for reimbursement in accordance with the terms of the agreement for expenses totaling \$110,943. The request was granted and has been recorded as income in the statements of activities and changes in net assets.

NOTE I - PAYCHECK PROTECTION PROGRAM INCOME

On January 26, 2021, the Organization received the funding of \$273,292 pursuant to the Paycheck Protection Program (the "PPP") under the Federal Coronavirus Aid, Relief, and Economic Security Act ("CARES Act"), which was enacted March 27, 2020. Under the terms of the PPP, certain amounts of the loan may be forgiven if they are used for qualifying expenses as described in the CARES Act, including qualifying payroll costs, covered rent payments, and covered utilities. The Organization concluded that the loan represents, in substance, a grant that is expected to be forgiven and, therefore, has accounted for the loan as a conditional contribution in accordance with FASB ASC 958-605. During 2021, the Organization used the proceeds for purposes consistent with the PPP and has recognized \$273,292 as income in the combined statements of activities and changes in net assets. The loan was forgiven in full by the Small Business Administration on November 23, 2021.
