The deadline to be included on our website and in digital promotions is May 31, 2022. The printed piece created for SSRW will be evergreen and will note to check out SavorSarasota.com for a list of participating restaurants.

Educating your frontline staff about the Savor program and your offer(s) are very important. They should be able to provide customers the Savor menu and be familiar with pricing. If your staff is unaware of the promotion, it will create confusion for those attempting to redeem the promotion.

We look forward to your participation!
